525 YEARS
1495 – 2020

Welcome

AFG College with the University of Aberdeen is ready to welcome you to the new academic year. We've been working hard to create an environment as safe as possible and continue to monitor the advice of the Ministry of Public Health in Qatar regarding the COVID -19 outbreak.

Students are kindly asked to show their Ehteraz health status on their Ehteraz Application when entering the campus. Students will be permitted to enter the campus only if their Ehteraz health status is green.

Your temperature will also be checked before entering the campus. Students with a temperature of 38° Celsius and above, will not be allowed to enter the campus.

Students are required to wear Face Masks at all times. In addition, protective gloves are available in the IT Suites and are to be worn during keyboard usage. Gloves are also available next to touch point vending machines.

Frederick Soddy House (Bldg 4) , Lord Boyd Orr House (Bldg 2) and the main entrance of our Administration Bldg are to be used for entry onto the campus. John J R Macleod House (Bldg 5) and Richard L M Synge House (Bldg 1) fire exits are to be used for exiting the campus. Students must use the nearest approved entry and exit points to their classroom/s.

Students who believe they should be shielding* should contact our Student Services Team to ensure their teaching and learning needs are supported.

The University is obliged to report any suspected and/or confirmed COVID-19 cases to the relevant health authorities.

It is important that good personal hygiene is maintained by regularly washing your hands with soap and water, maintaining face coverings and avoid touching the eyes, nose and mouth with unwashed or un-sanitised hands. Students should avoid sharing personal belongings, such as mobile phones and other personal equipment.

We have adapted our teaching spaces and campus facilities in line with physical distancing guidelines. Students must adhere to social distancing of 2 meters at all times.

The safety and wellbeing of our students is our main priority and we are committed to creating a supportive environment. Students should adhere to the campus COVID-19 safety signage displayed throughout the campus at all times.

If a student experiences any COVID-19 symptoms while on the campus, he/she must inform a member of the Student Services Team by email studenthub@afg-aberdeen.edu.qa and immediately leave the campus.

Students will not be required to attend on-campus sessions in the event of being tested positive for, exposed to, experiencing symptoms of, or a person/s living in the same household has tested positive for COVID-19.
